Corporate Campaign

For 41 years, ShareLife has advocated for those on the fringes of society by raising funds to support a network of social service agencies that have helped millions regardless of their background or beliefs. When societal problems emerge, ShareLife provides a solution.

Overall, the 2016 ShareLife Campaign raised \$13.8 million, with over \$838,000 coming from business leaders like you. Our 2017 goal is to raise \$1 million from the corporate community and to maintain our low administration and fundraising cost ratio of 11%.

Please be assured that your support will ease pain, provide competent and compassionate guidance, and restore dignity to those who are in need - each one of them unique.
