

#10 - St. Elizabeth Health Care – Answering The Knock...

Do you know what a disciple is? It's someone who is a follower of Jesus Christ. Have you ever thought of yourself as a disciple? After all, we're the family that makes up the body of Christ. In that way, every one of us is a disciple. But disciples need to be active. We can help those who are struggling and make a difference in their lives. ShareLife is a charity that helps those in need. The people that provide the help that raise the money, they're kind of like disciples of Christ, making a difference that will last a lifetime.

There are a lot of disciples in the ShareLife family. Some of them come from St. Elizabeth Health Care. They're a group of visiting nurses that help people who people like Sandra – she's a grandmother that has a hard time walking these days. So when she's sick, the nurses come to her house and take care of her there. It makes it so much easier for Sandra and she can be comfortable in her own home while she gets better. The nurses travel all around the city and help bring comfort and care to those in need. Isn't it great to know that St. Elizabeth Health Care is there to help those who a helping hand?

Jesus healed the blind man so he could see again. In the same way, St. Elizabeth Health Care helps bring the healing light of hope to those who are suffering among us. Say a prayer today for someone close to you who is sick. Remember, ShareLife is helping them feel better. We thank God for the gift of health and pray that we will be good disciples, thankful for our many gifts and giving back to help those who need us.
